

SONOMA LANE

CARMEL, CALIFORNIA

Sonoma Lane is a major transformation of a pseudo Mediterranean style home into an honest contemporary residence with modern technology and a state-of-the-art kitchen. The open floor plan incorporates many new decks with fully operable door systems to showcase the spectacular Pacific and Point Lobos views. The stories are organized around the naturally lit central staircase which rises all the way up to the roof deck/party patio.

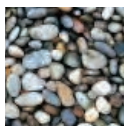

Total Floor Area: 4,761 SF
